

Local Business Information & Signup Form

After considerable review of where to focus our charity fundraising efforts, Community Flights has decided to hold weekly online raffles. Fundraising for our charity costs while supporting local businesses fulfils many of our values. We hope to grow these raffles and reinvigorate the community to shop local. Our raffles are scheduled to go live in August 2022.

Why sign up? Get more weekly customers with NO financial outlay

In the current financial climate it's getting harder to bring in and hold local customers, especially with costs increasing and retail prices rising. By entering prizes in our raffles, you are guaranteed to have NEW WEEKLY customers coming through your door with NO financial outlay!

Here's how:

1. **SIGNUP** on the form below to enter a prize in our raffles. Prizes can either be **DONATED** or we **BUY** your vouchers. (we can generate vouchers for you, see example below).
2. Locals WIN your prize and visit your store! **The more you enter, the more new customers!**
3. NO fees or initial outlay needed, just put up a poster in your store to help grow ticket sales.
4. **TIP!** Total prize value can be split over multiple lower value vouchers (i.e. 3 x \$20 vouchers to encourage multiple sales visits)

Tax deductible option (you donate your voucher/card)	Non tax deductible option (We purchase your voucher/card)
<ul style="list-style-type: none"> • These prizes will be entered immediately in the next raffle to be opened • These can stipulate the minimum sale value to redeem. However, it can not be more than twice the voucher value. (e.g. your voucher is worth \$20 but can be redeemed in a sale of over \$40) • They DO NOT need to be valid for 3 years • The voucher can stipulate restrictions on purchases at certain trading times and for use on certain items. • Total value of the donation must be over \$50 of value (e.g. 3 x \$20 vouchers for use in a single raffle) 	<ul style="list-style-type: none"> • These prizes will be entered when the raffle ticket sales meet required milestones for prize pool growth • Must be valid for 3 years • Must be valid for any sale at any time and a system of offering the use of the voucher over multiple sales is required if the value of the voucher exceeds your reasonable "average" sale value. (e.g. a burcher voucher for \$200 must be valid for use over multiple smaller value purchases) • You invoice Community Flights at the end of the monthly that the voucher is redeemed
